

# The McBride Conservation Fund Foundation 2023 Grant Application

**Deadline November 1, 2023.**

The McBride Foundation is currently accepting grant applications for 2023. Our mission is to promote by contributions, gifts, grants and activities, the preservation and conservation of natural resources pertaining to fish and wildlife, fish and wildlife habitat, and to educate other citizens in the use, preservation and conservation of wildlife and natural resources. If you are interested in applying for a grant please return the application before the deadline to [joebob@aomaustin.com](mailto:joebob@aomaustin.com). Please share this information with any organizations that would be interested.

The application can be found online at <https://austinwoodsandwaters.org/mcbridebanquet>.

In addition:

- Send us a copy of the 990-Form for your organization. Even if you are tax exempt, we need whatever form you submit to the IRS from your organization.
- Request a specific amount from the fund.
- Brief description of your organizations mission.
- Brief description of what the funds will be used for.

The McBride foundation is dedicated to helping outdoor groups with funds to support their mission of getting people outside and in touch with nature.
